

Installer - Energy Efficiency Measures

RISE Engineering, a division of Thielsch Engineering, Inc., is one of the longest operating energy services companies in the country. Working on behalf of the largest utilities and energy program sponsors in the Northeast, our mission is to provide one-stop services to make buildings more affordable, comfortable, healthful and efficient. We are experiencing significant growth as higher levels of incentives and resources are being made available to meet local, national, and global needs.

To support our field and project management staff, we seek a qualified **Installer–Energy Efficiency Measures** from the Rochester/Syracuse area. The potential candidate will work from home and the workweek will be spent in customer facilities throughout western New York.

Duties & Responsibilities

- Installation of compact fluorescent lamps (CFL's) in multifamily residences
- Supervise installation of energy efficient refrigerators in multifamily residences
- Accurately record data electronically as well as in written form
- Position requires travel throughout the service territory of western New York; driving a company vehicle.

Qualifications

- A detail-oriented individual with the ability to consistently multitask and prioritize is essential
- Ability to complete tasks within set timelines, adapt quickly to change and proactively identify process improvements
- Excellent verbal communication skills
- Valid driver's license and clean driving record
- Must be physically able and willing to carry, set up and climb ladders
- 2-4 years of highly reliable and effective work history
- Proficient with Windows XP/Microsoft Office Word 2007 and Excel
- Must be neat, organized, polite and a good citizen
- Knowledge and interest in green building and energy efficiency is a plus

Compensation and Benefits

We offer competitive compensation. Our comprehensive benefits include health/dental insurance, as well as paid vacation, holidays, sick days and life insurance. Our parent, Thielsch Engineering, Inc., offers an aggressive employee stock ownership plan (ESOP) in addition to our 401k retirement savings plan. EOE
